

Dear Valued Client,

Namaste. We thank you for choosing Centrum Broking as your preferred investments and broking partner. We hope you are healthy and safe.

As you must be aware as per the extant regulations of exchanges out of the total margin requirement in F&O segment, minimum 50% needs to be in the form of cash and balance can be in the form of pledged approved security. Therefore, you are required to provide 50% total exchange requirement of margin in the form of cash. Please [click here](#) to understand more details regarding the same.

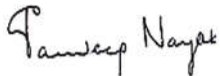

In the above said context we refer to your trading account maintained with us and would like to inform you that in case if you do not maintain 50% of your margin requirement in the form of funds (cash) in your said trading account we may levy an Interest @12 % p.a. on your FNO cash margin shortfall and the same shall be applicable from January 1st, 2021 onwards.

We request you to make a note of the above and arrange to do the needful.

In case of any further assistance, feel free to contact your Centrum Broking Relationship Manager.

We once again thank you for choosing Centrum Broking. Assuring you of our best services,

Warm regards,

K. Sandeep Nayak ED & CEO
