Further, the consortium of lenders have also confirmed the same in the consortium meeting held on April 28, 2023.

RECORD DATE AND SHAREHOLDER'S ENTITLEMENT

- As required under the Buy-Back Regulations, the Company has fixed the Record Date as May 10, 2023 for the purpose of determining the entitlement and the names of the shareholders, who will be eligible to participate in the Buy-back (the "Eligible Shareholders")
- 13.2 In due course, Eligible Shareholders will receive a letter of offer in relation to the Buy-back ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buy-back. The dispatch of the Letter of Offer shall be through electronic mode via email only, within two (2) working days from the Record Date and that in case any shareholder requires a physical copy of the Letter of Offer a request has to be sent to the Company or Registrar to the Buy-back to receive a copy of the letter of offer in physical form and the same shall be provided.
- 13.3 The Equity Shares to be bought back as a part of this Buy-back are divided into two categories:
 - Reserved category for small Shareholders ("Reserved Category"); and
 - 2. General category for all other Shareholders ("General Category").
- 13.4 As defined in Regulation 2(i)(n) of the Buy-Back Regulations, a 'small shareholder' means a shareholder of a company, who holds shares or other specified securities whose market value, on the basis of closing price of shares or other specified securities, on the recognized stock exchange in which highest trading volume in respect of such security is recorded, as on Record Date is not more than ₹ 2,00,000/- (Rupees Two Lakhs Only).
- 13.5 In accordance with the proviso to Regulation 6 of the Buy-Back Regulations, 15% (Fifteen per cent) of the number of Equity Shares which the Company proposes to buy back, or number of Equity Shares entitled as per shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buy-back.
- 13.6 On the basis of shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buy-back. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buy-back applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares that the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered by such Eligible Shareholder. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder.
- In accordance with the Buy-Back Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios do not receive a higher entitlement under the small shareholder category, the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number ("PAN") shall be clubbed together for determining the category (small shareholder or general) and entitlement under the Buy-back.
 - In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical, the Company will club together the equity shares held in such cases. Similarly, in case of Eligible Shareholders holding physical shares, where the PANs of all joint shareholders are not available, the Registrar will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/ sub-account and have a different demat account nomenclature based on information prepared by the Registrar and Transfer Agent (the "Registrar") as per the shareholder records received from the depositories. Further, the Equity Shares held the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- 13.8 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in other category.
- Shareholders' participation in the Buy-back is voluntary. Eligible Shareholder can choose to participate and get cash in lieu of shares to be accepted under the Buy-back or they may choose not to participate and enjoy a resultant increase in their percentage shareholding post Buy-back, without additional investment. Eligible Shareholders may also tender a part of their entitlement. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to nonparticipation of some other Shareholders, if any.
- 13.10 The maximum tender under the Buy-back by any Eligible Shareholder of the Company cannot exceed the number of Equity Shares held by such Eligible Shareholder of the Company as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account.
- 13.11 The Equity Shares tendered as per the entitlement by the Eligible Shareholder as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in Buy-Back Regulations. The settlement of tenders under the Buy-back will be done using the "Mechanisms for acquisition of shares through Stock Exchange" notified by SEBI Circulars. If the Buy-back entitlement for any Eligible Shareholder is not a round number (i.e. not a multiple of 1 Equity Share), then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buy-back. The Small Shareholders whose entitlement would be less

- than 1 Equity Share may tender additional Equity Shares as part of the Buy-back and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered for additional Equity Shares.
- 13.12 Detailed instructions for participation in the Buy-back (tendering of Equity Shares in the Buy-back) as well as the relevant timetable will be included in the Letter of Offer which will be sent in due course to the Eligible Shareholders. Eligible Shareholders which have registered their email ids with the depositories / the Company, shall be dispatched the Letter of Offer through electronic means. If Eligible Shareholders wish to obtain a physical copy of the Letter of Offer, they may send a request to the Company or Registrar at the address mentioned at paragraphs 13 and 14 below.
